Last Meeting

Oh what a beautiful morning, oh what a beautiful day, I had a beautiful feeling, that something good was coming our way, and it did.

We were given a smooth start to our day with an Invocation from **Keith McKenzie** with a profound quote from no less than Albert Schweitzer. **Janene Adema** returned from her European tour just in time to lead us in our Welcome Song. With her natural verve and enthusiasm, she encouraged everyone to join in. The day was getting off to a rousing good start.

The raffle was won by **Tom Canfield** and what a magnificent prize it was. He not only received awesome chocolates from Mackenzie's Chocolates but also

received a gift certificate from Mackenzie's Chocolates for even more chocolate from **Val Macken**. As it turns out, Tom's dad, **Charles**

Canfield, was here to observe the win and, of course, we miss Charles when he is not around.

Our Detective for last week was **Sam Bishop** who has such a dry wit that he really kept us alert and eager for the next fine assessed to his victims. He also allowed us to share HAPPY NEWS with self assessed donations. **Keith McKenzie** and his wife celebrated 52 years of marriage. **Bud Rice** has a daughter graduating from Stanford while **Bob Rittenhouse** has a daughter in the Olympics in China. Sam paid up because his wife is visiting her mother in Argentina and because he has the best mother-in-law ever. "She lives in Argentina and speaks very little English" said Sam. It looks like Sam's prearrangement with some Rotarians to tell jokes faded out fast as most were not on their A-game, although I thought the one from **Tom Foster** on his kid's "theory and reality" was pretty good cause it bordered just north of risqué. Shows you what kind of humor your editor has. Oh, well.

Our Red Badge speakers were up next. **Jennifer Svihus** presented a video biography showing clips from her childhood, college days at UOP in

Stockton and her marriage to a fellow student at UOP. She also had a picture of none other than **Mike Allard** on the swim team from her high school. Her position at UCSC was formerly held by our own **Dan Aldrich**. Our next Red Badger, **Brian Russ**, has the honor of being our youngest Rotarian as he was born during President Reagan's second term in office. Brian is a newlywed of five months and is a regional director with the Boy Scouts. His claim to fame, at this time, is that he has his office in his car. {A déjà vu moment there, been there, done that, threw away the T-shirt}. Our last Red Badge speaker of the day was **Phil Grauberger**. Phil was an all around athlete as a youngster but self-admitted that he wasn't the greatest academician. Upon joining the Air Force, Phil found a place of discipline and focus. While stationed in Biloxi, Mississippi, Phil had a real reality check on the negatives he had heard about the South. (We won't go there!!.) After the military, Phil obtained a degree in Business from San Jose State, served on many non-profit boards and is an executive with RaboBank.
