**Announcements:**

Our club's major fundraiser will be March 14<sup>th</sup>, 2009. As always, our goal is 100% participation. Don't be left out! The next planning session will be December 5<sup>th</sup> at the office of **Linda Burroughs**.

**Last Meeting**

The club drawing was won by **Steve Karon**. Steve, adding to the good will of the day, gave the gift away, awarding it to Ted Foster. The gift was donated by **Keith McKenzie** and was a gift certificate to Palapas Restaurant and a six-pack of Dos Equis. Tom Canfield showed no visible signs of disappointment from not winning this week.

**Randy Krassow** presented checks to the librarians of Westlake Elementary and Mission Hill Junior High. These checks were the accumulated proceeds of Randy's awarding our speakers with \$50 donations to our local librarians.

Detective **John Burroughs** had a little fun at the expense of the current woes of Wall Street. He challenged the crowd with some definitions:

Broker: What you will be if you take their advice.

Momentum Investor: One that buys stock that has already gone up.

Value Investor: One that buys assets that will never go up.

John fined Randy Krassow for saying we should support bacteria, it's the only culture some of us have.

**Keith McKenzie** was fined for running into John and Linda twice while they were traveling in Italy. Who do you suppose was stalking whom? **Larry Brenner** was fined for becoming a new board member of the Museum of Art and History. Larry didn't seem to know anything about the MAH major fundraiser, Stars, on December 6<sup>th</sup>. But hey, why would a board member know anything about that? **Michael Paul** was fined because someone put a defused grenade into one of the Goodwill's donation bins. Problem was, no one could tell it had been defused, so a full emergency response ensued including road closures and bomb squad. **Aleene Althouse** was fined for the large number of "Allstate" signs in front of her office. This perplexed Aleene, who is a State Farm insurance agent, not Allstate. Oh well, twelve signs is a lot of signs, regardless of what they say. Aleene deftly referred to the different signs by different types, obviously parsing the language of the sign ordinances in her favor. She may not be a lawyer, but I would not mess with her on the sign ordinances. **Steve Karon** was fined as John had a revelation that Steve's real estate sign's logo is two trees that make up the outline of a house. It only took ten year to notice that. Of course, this editor may never have noticed it had John not brought it up. Finally, John acknowledged **Charlie and Tom**

**Canfield** for their frequent, generous donations of Bumber Car Parties.

**Last Week's Program**

With Veteran's Day imminent, program chair, **Jane McKenzie** honored those who had served our country in the armed forces. She had each stand up and tell how they had served. It was, extremely impressive. It appeared that half of all members present had served. A photo was taken as shown below.

Ted Foster spoke about his service as an officer on a Submarine in the Pacific during WWII. Next, **Nick Wykoff** shared some his experiences as an artillery officer in the Vietnam War. Finally, Wally Walker, who served in Vietnam as well, told of his son who was awarded a medal for valor while working training police in Afganistan.
