LAST WEEKS MEETING

In spite of the financial news the past week, the Rotarians seemed pleased to get away from national affairs and join with their club friends for a little fellowship and relaxation.

Some early birds appeared for the annual flu shot bonanza; including, some spouses. **Bernice Robertson** administered the syringe with skill and relish. This is arranged for by **Bruce Dunn** and is greatly appreciated; although, some members

are not fond of needles. Note President **Randy Krassow**.

Sharon Caiocca was selling the raffle tickets and welcoming guests and visitors. We had several visitors and guests. **Tom Canfield** introduced Christy Latham who is promoting the annual high school marching band review. Santa Cruz High School is the host. Also, among the visiting Rotarians was **Ingbert Gans**, a member of **Guestrow Germany Rotary**. Herr Gans has visited Santa Cruz Rotary before and returned the favor of our banner presentation by bringing one from his club. It was a pleasure to meet Ingbert, he is a very interesting man.

Wally Dale announced the sale of entertainment books by our club, as a fund raiser. **Angelo DeBernardo** announced the annual Second Harvest Food Bank barrel wrap. **Christy Schuette** urged Santa Cruz Rotarians to attend the Scotts Valley Rotary annual Oktoberfest. It is a fun event for the entire family.

Steve Spragens introduced the Delta School student of the month. **Chris Ba-**

tos won the \$100 prize and thanked the Rotarians for supporting the Delta School. Chris gave a little of his personal history and the success he has had at Delta. Congratulations Chris.

Gary Reece stepped in as Detective and pretty much savaged the banking and se-

curities institutions. **Dan Aldrich** has been chosen to serve as Vice Chancellor of UC Riverside. Kudos to Dan and thanks for the generous donation to our Endowment Fund. Gary quoted "The only thing a man can boast of having the smallest, is a cell phone". Very Good Gary.

Michelle Anderson introduced the program of Red Badge speakers, **Tom Honig** and **Guy Mitchel**.

Tom worked for many years on the Santa Cruz Sentinel on most of the desk assignments. Prior to the Sentinel, Tom worked as the towel boy for UCSB and a sailing instructor at Club Med. **Scotchy Sinclair** gave Tom his first Sentinel job that lasted for 35 years. He currently devotes his skills to Public Relations.

Guy Mitchel's film presentation chronicled his life in Santa Cruz and many adventures in a host of activities; mostly outdoors. He is widely traveled and only recently married and started a family. He owns and operates Light House Windows. As usual, these two Red Badge talks were amusing, entertaining, and very well received by our members.

Welcome Tom and Guy.
