Gail Levine

Bonny Doon Elementary School

Friday, October 24th presentation will come from the Bonny Doon Elementary School. Principal Superintendent Gail Levine and Life Lab Coordinator Sarah Clarkson will present a slide show on the Life Lab Program since it began in April 2007 to its current day. The goals of the existing Life Lab Program are to teach children 1) the importance of good nutrition via eating fresh vegetables and fruits and 2) about the life cycles of plants and how they grow; as well as how to be stewards to the environment that support plant and animal life and 3) how to cooperate with their fellow classmates working together to grow and prepare different foods. Evidence of all three will be viewed through the slide show and talk about the current garden program.

LAST WEEKS MEETING

Last Friday we gathered as usual, in the Elks Club room for the Luncheon and Meeting of the Rotary Club. We were anticipating a PDG from the far east for the program and the lunch was presented on the buffet table for everyone to enjoy.

Sharon Caiocca sold the raffle tickets for the giver **Gary Reese**, and **Aleene Althouse** performed the attendance duties. **President Randy** opened the meeting; however, he made an abrupt departure

and gave **Gary Reece** the seat of authority. This due to a very important funeral service that absolutely needed President Randy's attention. Thus, we got Gary for a return engagement.

Some guests present included **Bob Chaney**, with **Peter Verbica** and **Mary Rose Mackenzie** with her husband Ian. **Alex Fey** had the winning ticket for the door prize; a generous box of Mackenzie's chocolates. Thanks to **Gary Reece**.

For the Detective program, **Wally Walker** performed his usual funny self and laid out the \$5 penalties. He nailed **John Mahaney** for son **USMC, Col. Wes Walker's** terrific

service in the middle east. Wally observed **Peter Perbica**, alone, in the back seat of his Mercedes working on his computer; Business, no doubt. **Janene Adema** was fined for "cute, enthusiastic, song lead-

ing" and for being a former "Miss America Teenager". **Aleene Althouse** and **Val Macken** were made to withstand a "dumb blonde" joke. Wally stumbled into **John and Karen Huffman** in the unlikely location of Victoria, Canada harbor, whereon John and Karen put on a dinner aboard their beautiful "Grand Banks" yacht. **Marv Jensen, Gil Paul and Jim Kelly** were fined for belonging to Forty Thieves and for all the good food they cook. All San

Jose State University grads were fined for "academia under advisement"!! Very Funny. Of course, **Dan Aldrich** was given attention due to the new position as Vice Chancellor of UC Riverside. Wally mentioned the 11-99 Foundation. The code 11-99 translates to "officer down and needs assistance". This radio call elicit immediate reaction from officers in the area. Financial supporters of this foundation, receive a license plate ring that identifies the driver as a friend of CHP officers. The legend has it that such a ring will help avoid traffic speeding tickets. "NOT SO" says **President ProTem Gary**, thus solving the mystery. Finally, Wally cited President Elect **Linda Burroughs** for being named "Woman of the Year". Good job Wally.

Russ Hobbs introduced our speaker for the day. PDG Thariq Thulba from Sri Lanka. Governor Thulba presented an illustrated description of his native country, its beauty, people, and social problems. The Governor described how Rotary has helped so many nations of the world achieve sanitary water, disease immunization, public works, and education. He closed his presentation with video of thanks from Sri Lanka. The members enjoyed the presentation.
