

ROTARY CLUB OF SANTA CRUZ

Membership Proposal

(to be completed by sponsor)

About Membership:

Membership is achieved through a multi-step process. A completed Membership Proposal sheet is given to the club Secretary by the Sponsor. The Membership and Classification committees will review the proposal and the Board is advised of the nomination, following which the candidate will be asked to meet with the Rotary Information Committee. The candidate then completes a Membership Application and Information form and turns it in to the club Secretary along with a \$150 new membership fee. Steps include the posting the potential member's name in the Spokes so that any member(s) may object to the membership for cause. The Board will grant final approval. The candidate is then inducted into the club. Several of these steps may be taken concurrently to speed the processing time.
