ROTARY CLUB OF SANTA CRUZ VOCATIONAL SCHOLARSHIPS GUIDELINES

The Rotary Club of Santa Cruz Vocational Scholarship Program was established to assist students enrolled in an approved vocational or technical program of study. Scholarship awards are intended to assist students evidencing financial need and the desire to continue education or training.

Scholarship awards will vary in amount depending on funds allocated to the Vocational Scholarship Committee each year. As a general guideline, scholarships are in the amount of \$500 to \$750 each.

1. The Vocational Scholarships are awarded to students enrolled in or who have been formally accepted into a full time approved vocational or technical program.
2. Scholarships are awarded primarily based on financial need.
3. Funds are to be used for tuition, equipments, or books and are sent directly to the college or training institution selected, to be credited to the student's account.

The following criteria is used to evaluate applicants:

- Financial need
- Completed application
- Written recommendation – May be written by an instructor or counselor
- Written essay – Content, grammar, spelling and neatness will be evaluated. The essay should be a t least one page in length and detail the goals and aspirations of the applicant
- Interview – Personal or telephone interview may occur
- Community service activities
- Residency – Must be a resident for at least two (2) years in Northern Santa Cruz County (zip codes 95019 and 95076 are not eligible for consideration)

Currently Qualified Vocational Programs:

- American Conservatory Theater, San Francisco
- Aviation Careers – From Aircraft maintenance to career-oriented Pilot Training at Watsonville Airport, San Jose State, or Gavilan College
- Automotive Technology – Santa Cruz Regional Occupational Program conducted at Santa Cruz High School
- Dental Assisting – Santa Cruz Regional Occupational Program conducted at Harbor High School
- California Culinary Academy, San Francisco
- Cabrillo College – Engineering Technology, Culinary Arts and Hospitality Management, Nursing, Dental Hygiene, Radiological Technology, Medical Assisting or Music
